Accn. No. 554.

1. The maximum time allowed for retention of a book shall be one fortnight. It may be borrowed again if not required by others.

2. No reference books shall be lent out.

3. No borrower shall have more than two volumes out of the Library at one time.

4. Borrowers must not pass books from one to another but must return them to the Librarian.

5. Library books must not be used as class-books.

6. Any one who defaces by writing or otherwise damages any book shall pay the full cost of the book or of the entire works, if it consists of more than one volume.

7. The borrower shall be responsible for the value of the books lent out to him if they are lost, damaged or otherwise cannot be returned to the Library when they are due or recalled.

8. The presence of the voucher with the Librarian shall be considered sufficient proof of the non-return of books.

1895.

FIRST REPORT

ON

SANSKRIT MANUSCRIPTS.

The Government of Madras having ordered me to take up the search for Sanskrit manuscripts in the Southern Presidency, I thought it best to begin work in those districts from which no lists had been supplied to Dr. Oppert, and among these again selected the Nellore district on account of its proximity to Bangalore. My second Assistant, Mr. H. Krishna Sastri, was deputed to Nellore and examined 33 libraries during the months of August and September 1894. The result of his tour is a list of about 700 manuscripts with copious notes. He has done his work, which requires a great deal of tact, patience and knowledge, in a very satisfactory and conscientious manner. With the help of that monument of accurate scholarship, the fruit of thirty years' unremitting labour,—Dr. Aufrecht's *Catalogus Catalogorum*, I found it easy to identify, with very few exceptions, the works and authors described by Mr. Krishna Sastri. Extracts from his notes and an alphabetical index of works and authors are appended to the subjoined list of manuscripts.

Among the Vêdic books in the subjoined list are Telugu manuscripts of the *Ṛigvêdasaṁhitâ*, *Ṛigvêdapada*, and *Yajurvêdapada*.[1] A large number of manuscripts are connected with the Âpastamba and Âśvalâyana *Sûtras*, and a few with the Bhâradvâja, Bôdhâyana, Drâhyâyaṇa and Gautama *Sûtras*.

Among the commentaries on the *Âpastambasûtra* is one by Guhadêvasvâmin (No. 414*b*). This may be the Guhadêva whose *Vêdabhâshya* is quoted by Dêvarâjayajvan.[2]

From Dr. Aufrecht's *Oxford Catalogue* (p. 371*b*) and Dr. Burnell's *Tanjore Catalogue* (p. 16*a*), we learn that Bukka II.,

---

[1] The list does not contain a further specification. Probably the *Padapâṭha of* the Taittirîyas is meant.

[2] Dr. Aufrecht's *Cat. Cat.* p. 157*a*.

the son of Harihara II.,[1] had by his queen Tipp[â]mbâ a son named Bhûpati, who is not mentioned in any inscriptions of the Vijayanagara dynasty, and that Bhûpati's minister Chauṇḍapâchârya wrote a commentary on the *Âpastamba-sûtra*, entitled *Prayôgaratnamâlâ*. The subjoined list contains two copies of this work (Nos. 161 and 638), in the second of which the name of the author is given as Vishṇubhaṭṭa (Chauṇḍapâyana). He is perhaps identical with that Chauṇḍapâyana who composed a separate work on sacrifices, the *Yâgakâlanirṇaya* (Nos. 428, 436, 606 and 652).

The last portion of the *Kalpasûtras* are the so-called *Śulba-sûtras*, which contain directions for the correct construction of the various altars (*vêdi*) on which sacrifices are offered. Durbhâ Cheñchu Subrahmaṇya Dîkshita at Lêbûr, the owner of Nos. 135 to 180 of the subjoined list, has prepared elaborate drawings of these altars, showing the correct shape and position of each brick, on the basis of the *Śulbasûtra* of Âpastamba. I am endeavouring to induce him to let me publish these valuable drawings in the *Indian Antiquary*.

No less than thirteen manuscripts are attributed by their present owners to a teacher whose name is pronounced in various ways, but appears to have been either Âṇḍapilla[2] or Ândhrapilla. The second form of the name would mean 'the Telugu child' and would be a similar designation as Draviḍa-śiśu (*i.e.* 'the Tamil child'), a name which is referred to in Śaṁkarâchârya's *Saundaryalaharî*, and by which, as pointed out by Mr. P. Sundaram Pillai,[3] we have to understand the great Śaiva teacher Tiruñânasambandar.[4] Âṇḍapilla is the author of works connected with the *Sûtras* of Âpastamba, Âśvalâyana and Drâhyâyaṇa. In the colophons of his works he calls

---

[1] See the Table in *Ep. Ind.* Vol. III. p. 36.

[2] Compare *Aṇḍabilâ*, *Âṇḍabilâ* and *Âṇḍabilâpaddhati* in Dr. Aufrecht's *Cat. Cat.* pp. 6*b* and 773*b*, and *Âṇḍapillê* in Dr. Oppert's *Lists of Sanskrit Manuscripts in Southern India*, Vol. II. p. 680. A corruption of the name Âṇḍapilla forms the second portion of the titles of two other manuscripts, *Âdhânânvilâ* and *Darśapûrṇamâsânvilâ*, which are quoted by Dr. Aufrecht (*Cat. Cat.* pp. 45*b* and 246*b*).

[3] *Madras Christian College Magazine*, Vol. IX. p. 676 ff.

[4] In the *Madras Christian College Magazine* for November 1893, Mr. Venkayya has shown that Tiruñânasambandar was a contemporary of the Pallava king Narasiṁhavarman I., the destroyer of Vâtâpi. See also *Ep. Ind.* Vol. III. p. 277 f.

himself Tâlavṛintanivâsin, *i.e.* 'an inhabitant of Tâlavṛinta,' which may be a Sanskrit translation of Tiruppaṇandâḷ (*i.e.* 'the sacred palmyra stalk'), the name of a village in the Tanjore district.

The subject of oblations to the manes according to the *Sûtras* of Âśvalâyana (Nos. 150 and 418) and Bhâradvâja (No. 58) is treated by Yallâjibhaṭṭa, the son of Yallaṁbhaṭṭa or Yallubhaṭṭa. He is evidently identical with the "son of Yallabhaṭṭa" to whom the *Mysore Catalogue* quoted in Dr. Aufrecht's *Cat. Cat.* (p. 56*b*) attributes a commentary on Âśvalâyana.

Kṛishṇapaṇḍita, the son of Râma, is the author of the *Saṁdhyânirṇayakalpavallî* (No. 442) and of a *Saṁdhyâvandanabhâshya* (Nos. 33, 151, 539 and 635). Another *Saṁdhyâvandanabhâshya* was written by Tirumalayajvan (No. 255*b*). Tirumalasômayâjin, the son of Purâṇa-Tirumalayajvan, composed a treatise connected with the *Âśvalâyanasûtra* (No. 413).

The colophon of No. 630 supplies the name of Sôma, the hitherto unknown author[1] of the *Tribhâshyaratna*, a commentary on the *Taittirîya-Prâtiśâkhya*, which was published by the late Professor Whitney.

The *Padadarpaṇa* (No. 600*a*), a commentary by Mallayârya on the *Padapañchaka*, seems to treat of Vêdic phonetics. The *Mysore Catalogue* quoted in Dr. Aufrecht's *Cat. Cat.* (pp. 473*a* and 604*a*) calls this book "*Vêdapadadarpaṇa* by Yallayârya Yajvan."

Six manuscripts contain the *Padayôjanâ*, a commentary on the *Bhagavadgîtâ* by Râmachandra Sarasvatî (or Bhâratî). At the beginning of his work, the author pays his respects to a number of teachers of the Vêdânta school,[2] acknowledges to have used three earlier commentaries (the *Paiśâchabhâshya*, and those of Śaṁkara and Śrîdhara), and states that, before undertaking the present work, he had written a commentary on

---

[1] See Professor Weber's *Berlin Catalogue*, Vol. II. p. 41.

[2] See the extract from No. 291.

the *Râmâyaṇa*.[1] A portion of this other work of his is contained in No. 239, where however the author's name appears as Râmachandrânanda Sarasvatî.

Two manuscripts (Nos. 137 and 229) contain a commentary on the *Brahmasûtra*, entitled *Brahmatattva-prakâśikâ* or *-pradîpikâ*, which is not found in the published lists of MSS. The author is Sadâśivêndra Sarasvatî, a pupil of Paramaśivêndra Sarasvatî.

Another commentary on the *Brahmasûtra* (No. 506) was composed by Paramânandaghana, who called it *Chidânandabrahmavilâsa* after his preceptor, Chidânandabrahmêndra Sarasvatî. The same Paramânandaghana wrote the *Prayôgaratnâvalî* (Nos. 163, 611 and 615) and the *Smṛitiratnamahôdadhi* (Nos. 148 and 480). He bore the surname Brahmânanda Sarasvatî (No. 148), but is distinct from Brahmânanda Bhâratî, the pupil of Kṛishṇânanda Bhâratî (No. 241).

The opening verses of a manuscript of the *Vêdântaparibhâshâ* by Dharmarâjâdhvarîndra (No. 655) prove that Dr. Burnell[2] is right in identifying the author of this work with the author of the *Tarkachûḍâmaṇi*. The same verses state that Dharmarâjâdhvarîndra wrote a commentary on Śaśadhara's (Nyâyasiddhântadîpa) and another on (Pâdapadmâchârya's) *Pañchapâdikâ*. The published catalogues of manuscripts do not contain the latter; but the first of them is referred to as "*Nyâyaratna* by Dharmarâja Bhaṭṭa" in Dr. Aufrecht's *Cat. Cat.* p. 311*a*.

A hitherto unnoticed treatise by Yatirâja, *i.e.* Râmânujâchârya, is the *Mûlamantrârthasâra* (No. 464), which was composed at Śrîbhûtapura, *i.e.* Śrîperumbûdûr near Madras. I take this opportunity for stating that Yâdavâchala, which Râmânuja visited, is Mêlukôṭe in Mysore.

The *Guruparamparâprabhâva*, a Tamil work printed at Madras,[3] contains traditional accounts of the Vaishṇava saints

---

[1] See the extract from No. 50.

[2] *Tanjore Catalogue*, p. 115, note 1.

[3] Kaliyuga 4990, the Virôdhi *saṁvatsara*. The existence of this book was made known to me by Mr. Venkayya.

(*Âḻvâr*),[1] of Râmânuja, and of his successors. The most prominent of the latter is Veṅkaṭanâtha Vêdântâchârya or Vêdântadêśika. A very long list of works which he is believed to have composed, is appended to the printed edition of the *Guruparamparâprabhâva*. Two of these works are the *Pâdukâsahasra*,[2] a hymn in honour of Vishṇu (Nos. 256*a* and 392), and the *Haṁsasaṁdêśa* (No. 123). Nos. 398 and 546 appear to contain a poem composed by, or relating to, Vêdântâchârya.

Nos. 471*a* and 595*b* contain the *Vasantatilakabhâṇa*, a drama by Varadâchârya.[3] This author can be safely identified with the Vaishṇava teacher of the same name, who was the son of Dêvarâja of Kâñchî, and to whom the *Guruparamparâprabhâva* attributes the two surnames Ammâḷâchârya and Ghaṭikâśatakam-Ammâḷ. The first of these two names appears in the form Ambâlâchârya in No. 595*b*, and a corruption of the second name is preserved in the colophon of Dr. R. Mitra's No. 116.

The concluding verses of No. 26 state that Subrahmaṇya of the Pondûri family, the son of Veṅkaṭêśa, wrote a commentary on the *Abhinavashaḍaśîti*, a work on *dharma* (Nos. 26, 122, 149 and 437). He is also the author of a commentary on the drama *Prabôdhachandrôdaya* (No. 282).

Another work on *dharma* is the *Kaṇṭhabhûshaṇa* (No. 603), a commentary on his own work *Gṛihyaratna* by Veṅkaṭanâtha, surnamed Vaidikasârvabhauma, the son of Raṅganâtha and grandson of Sarasvatîvallabha. The opening verse names the following works by the same author:—*Âśauchaśataka*, *Pitṛimêdhasâra*, commentaries on these two works, *Daśanirṇaya*, *Gṛihyaratna*, *Ratnâkara*, and *Vibudhakaṇṭhavibhûshaṇa*, which is another name of the *Kaṇṭhabhûshaṇa*, Veṅkaṭanâtha's commentary on his *Gṛihyaratna*. The title *Ratnâkara* is an abbreviation of *Smṛitiratnâkara* (No. 317). The *Âśauchaśataka* and *Daśanirṇaya* by Vaidiasârvabhakuma

[1] One of these, Śaṭhagôpa or Śaṭhâri, is invoked at the beginning of Gôvindarâja's commentary on the *Râmâyaṇa*; see the extracts from Nos. 383, 391 and 462.

[2] This production was commented on by Śrînivâsadâsa (Nos. 256*b* and 555).

[3] Another drama by Varadâchârya is the *Chôḷabhâṇa* (No. 262).

are referred to in Mr. Rice's *Mysore Catalogue*, pp. 194 and 200. The *Aghanirṇaya* by Veṅkaṭasârvabhauma (No. 619) or Vaidikasârvabhauma (Mr. Rice's *Mysore Catalogue*, p. 192) is perhaps a portion of Veṅkaṭanâtha's *Daśanirṇaya*.

Annaṁbhaṭṭa, the son of Tirumalâchârya (and author of the *Tarkasaṁgraha*), composed a commentary on Kaiyaṭa's *Mahâbhâshyapradîpa* (Nos. 245*c*, 246 and 324), and Lakshmînṛisiṁha a commentary on Nâgôjîbhaṭṭa's *Paribhâshêndu-śêkhara* (No. 251).

Eṟṟamâdhavârya, the son of Brahmabhaṭṭa, wrote a grammatical work called *Tripadadyôtinî* (No. 313). He was one of the Paṇḍits of Vîrapratâpa-Veṅkaṭadêva-Mahârâya. This must have been either Veṅkaṭa I. or II. of the third Vijayanagara dynasty.[1] Kandâḷayârya, the author of the *Alaṁkâra-śirôbhûshaṇa* (No. 371), and Appayadîkshita, the author of the *Kuvalayânanda*, also lived at the court of one of the two Veṅkaṭas.

No. 265 is a manuscript of a Prâkṛit grammar, entitled *Prâkṛitamaṇidîpikâ* and compiled from the works of Trivikramadêva, Hêmachandra, Lakshmîdhara, king Bhôja, Pushpavananâtha, Vararuchi and Appayajvan by Chinabommabhûpâla. This author was the minister of king Chokkanâtha, 'the lord of the southern ocean.' By this one of the two Nâyakas of Madhurâ who bore the name Chokkanâtha, must be meant.

No. 143 contains an astronomical work, named *Jyôtishasaṁhitârṇava*, whose author, Sûnṛitavâdin, was a protégé of the Gajapati king Pratâparudradêva of Orissa. The *Sarasvatîvilâsa* (No. 424) is attributed to the king himself.

Veṅkaṭayajvan of Kuṇḍinîpaṭṭaṇa, the son of Veṅkaṭa of the Chintalapâṭi family, is the author of two astronomical works, the *Nirṇayakaumudî*, which treats of the preparation of calendars, and the *Ujjvalâ*, a commentary on the *Kâlâmṛita*.

From the colophon of a manuscript of the *Svaramêlakalânidhi* (No. 573), a work on music by Râmâmâtya, we learn that it

---

[1] See the Table facing p. 238 of *Ep. Ind.* Vol. III.

was composed in A.D. 1550, and that its author was the son of Tôḍaramallatimma, whom Dr. Aufrecht (*Cat. Cat.* p. 214*b*) identifies with Akbar's minister Tôḍar Mall (+ A.D. 1589).

Among the novelties are a commentary on Piṅgala's *Metrics* by Yâdavaprakâśa (Nos. 299 and 563), and a commentary on Kâlidâsa's *Nalôdaya* by Kṛishṇabhaṭṭa or Kṛishṇasûri (Nos. 17 and 242*b*).

The *Virôdhabhañjanî*, a commentary on Vâlmîki's *Râmâyaṇa* (Nos. 305, 375 and 583*b*), was composed by Brahmavidyâdîkshita, the son of Nṛisiṁha. The introductory verses of No. 375 allude to several philosophical works by the same author.

A manuscript of the *Kâvyadarpaṇa* (No. 568), a rhetorical work by Râjachûḍâmaṇidîkshita, contains the following long list of other works by the same author:— A commentary on (Pârthasârathimiśra's) *Śâstradîpikâ*; *Tantraśikhâmaṇi*; *Nyâyamukṭâvalî* (?); commentaries on the *Yajurvêda* and on all *Upanishads*; *Prâyaśchittapradîpikâ*; *Nyâyachûḍâmaṇi*, a commentary on Ruchidatta's (*Tattvachintâmaṇiprakâśa* ?); *Maṇidarpaṇa*, a commentary on three books (*khaṇḍa*) of the *Maṇi* (*i.e.* the *Tattvachintâmaṇi*); a drama entitled *Śṛiṅgârasarvasvabhâṇa*; the missing 6th book (*Yuddhakâṇḍa*) of the *Bhôjachampû*, which Râjachûḍâmaṇi composed in a single day; *Bhâratachampû*; *Vṛittaratnâvalî*; a biography (?) of his father Śrînivâsa; the stories (*kathâ*) of Raghuvîra (*i.e.* Râma), Kṛishṇa and the Pâṇḍavas;[1] *Mañjubhâshiṇî*, containing the story of Sîtâpati (Râma); the poem (*kâvya*) *Śaṁkarâbhyudaya*; the poem *Kaṁsavadha*; *Rukmiṇyudvâha*; the drama (*nâṭikâ*) *Kamalinîkalahaṁsa*; the drama (*nâṭaka*) *Ânandarâghava*; *Alaṁkâra*[*śirô*]*maṇi*; and *Chitramañjarî*. Of all these works only seven are mentioned in the published catalogues of manuscripts[2]:— *Karpûravârttika* (*Śâstradîpikâṭîkâ*), *Kâvyadarpaṇa*,

[1] These three different tales were probably told in one and the same poem, every syllable of which had to be taken in three different ways, as in the Telugu *Yâdavarâghavapâṇḍavîya* by Râmakṛishṇa.

[2] See Dr. Aufrecht's *Cat. Cat.* pp. 501*a* and 189*b*.

Tantraśikhâmaṇi (*Mîmâṁsâsûtraṭîkâ*), *Ânandarâghava*, *Kamalinîkalahaṁsa*, *Rukmiṇîkalyâṇa* (*Rukmiṇyudvâha*), and *Vṛittaratnâkaraṭîkâ* (*Vṛittaratnâvalî*).

A poetical anthology, based on the drama *Mahânâṭaka* (No. 526), is attributed to a royal author, Immaḍidêvarâya. This king is probably identical with Dêvarâya II. of Vijayanagara, who is known to have borne the surname Immaḍi.[1]

The authorship of a critical commentary on the *Amaruśataka*, entitled *Śṛiṅgâradîpikâ* (Nos. 267*c* and 537), is ascribed to prince Kômaṭivêma, whose uncle (?), king Vêma, is said to have built a flight of steps at Śrîśailam, the well-known Śaiva shrine in the Karṇûl district. This statement enables us to identify him with Vêma, the son of Prôla, of the Reḍḍi dynasty of Koṇḍavîḍu, to whom the same achievement is attributed in two copper-plate inscriptions of Annavêma.[2] At the beginning of No. 537, Vêma is further said to have belonged to the Chaturthânvaya, *i.e.* to the Śûdra caste,[3] and to have performed the gifts prescribed by Hêmâdri, the author of the *Dânakhaṇḍa*.[4]

A native of Madhurâ, Gôpâlarâya, the son of Veṅkaṭêndra, wrote a commentary on the poem *Râmachandrôdaya* (No. 469) and composed two dramas, the *Śrîraṅgarâjabhâṇa* and the *Śṛiṅgâramañjarîbhâṇa*, the second of which is referred to in the beginning of the first (No. 385).

No. 297 furnishes a genealogical table of a Brâhmaṇa family from Benares. The last descendant who is mentioned, Dharmasûri, composed a rhetorical work, *Sâhityaratnâkara*. He is also the author of a drama, *Narakadhvaṁsavyâyôga* (No. 323) or, as it is called in Dr. Aufrecht's *Cat. Cat.* p. 277*a*, *Narakâsuravijaya*.

The subjoined list contains two copies (Nos. 189 and 307) of the *Ratnâpaṇa*, a commentary on the rhetorical work *Pratâparudrayaśôbhûshaṇa*. The commentator is Kumârasvâmi-Sômapîthin, the son of the well-known Kôlachala-Mallinâthasûri

---

[1] *South-Indian Inscriptions*, Vol. I. p. 110.
[2] *Ep. Ind.* Vol. III. No. 10, verse 10, and No. 39, verse 6.
[3] Compare *ibid.* pp. 59 and 286.
[4] *Ibid.* pp. 60 and 287.

and younger brother of Peddayârya.[1] Though this commentary is accessible in printed editions, the European catalogues of manuscripts still perpetuate certain mistakes or misprints in Dr. Burnell's *Tanjore Catalogue*, p. 56*b*, where the book is called *Ratnârpaṇa*, the author's father Kolâchala, and his elder brother Peḍḍârya.[2]

Veṅkaṭa of Conjeeveram, the son of Raghunâtha and grandson of Appaya, is already known as the author of the curious poem *Viśvaguṇâdarśa*, which, as Dr. Aufrecht remarks, "will be very useful for the knowledge of the more recent history of the Dekhan" (*Oxford Catalogue*, p. 150*a*), and which, in the opinion of Dr. Burnell, is "almost the only modern South-Indian production that shows the least originality" (*Tanjore Catalogue*, p. 162*a*). From the beginning of No. 116 and the colophon of No. 396, both of which refer to Veṅkaṭa, his father Raghunâtha, and his grandfather Appaya, we learn that the same Veṅkaṭa is the author of two other poems, *Uttararâmachampû* and *Lakshmîsahasra*.

Kuravi Mallayya Śâstri at Inamanameḷḷûr, whose library is described in the subjoined list (Nos. 548 to 573), is a descendant of a modern but fertile writer, named Kuravirâma, who is reported to have lived at the court of one of the Zamîndârs of Kârvêṭinagaram in the North Arcot district. He is the author of commentaries on two well-known poems, the *Champûbhârata* of Anantabhaṭṭa (Nos. 214, 519 and 596) and the *Viśvaguṇâdarśa* of Veṅkaṭa (Nos. 21, 211 and 587). The opening verse of his commentary on the *Viśvaguṇâdarśa* states that he also wrote treatises on the two rhetorical works *Daśarûpa* and *Kuvalayânanda*. The library of his living descendant still contains a copy of the former work (No. 554), and besides, his Telugu translation of the *Vâsavadattâ*, entitled *Vâsavadattâpariṇaya* and written on 57 palm-leaves.

BANGALORE,
